VitalStrong™
Rehabilitation

Getting you home faster and stronger

Our staff prides itself on providing comprehensive short-stay rehabilitation services through our **VitalStrong™** program. VitalStrong™ has been developed to provide state-of-the-art clinical and rehabilitation services utilizing progressive technology, with clinical oversight by a physiatrist – a doctor of physical medicine and rehabilitation.

Our team of experts, including licensed physical and occupational therapists and speech language pathologists, provide therapy services up to seven days per week.

We are proud to offer our innovative **WalkStrong** and **CAMPStrong** programs.

These comprehensive short-stay programs are individualized to meet your specific needs to get you home faster and stronger.
